FOOD, BEVERAGE, & PAYMENT OPTIONS

FOOD FOR LUNCH EVENTS: If the guest count is below 24 guests, private lunch parties have the option of having their guests order from our standard lunch menu or offering a customized limited menu. All events larger than 24 guests will be required to utilize a limited menu with up to six selections from our standard lunch menu. All selections must work for the production in the kitchen, and our staff will happily help craft your unique limited lunch menu. Once your menu is set, S&P will design and print your custom menu in-house, including a picture and/or logo if desired.

FOOD FOR DINNER EVENTS: Events with 25 or less guests may order from our full SHAKERS PUB ENTREE ONLY MENU (which includes all of our entrees and a few salads, but no burgers or sandwiches) and for events with 26 guests or more, limited selections from the SELECTION CRITERIA MENU will be required. Please visit our website for the current menu options available to private events. Once your menu is set, S&P will design and print your custom menu in-house, including a picture and/or logo if desired.

BEVERAGES: Private parties can decide on what sort of beverages to offer guests, and there are four options available: using drink tickets (up to three per guest) for guests to order what they want from our bar selections; offering a full or open bar; offering specific wine/beer selections **IF** utilizing a limited menu; or including non-alcoholic beverage drinks with a cash bar. Please keep in mind that checks are limited to **FOUR** for the entire event, so if a cash bar is utilized, guests may be grouped together on one tab.

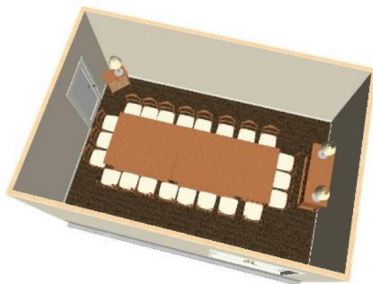

All prices are menu prices, so you only pay for what your guests order. We do not offer a one-per person price option, buffet style, or family style service for any event. Furthermore, our menu selections and prices are subject to change without notice. Finally, a 20% gratuity, Michigan sales tax, room use charges if applicable, and a credit card/labor surcharge will be added to your bill.

Finally, we accept cash, check, S&P Gift Cards, or credit cards for Shakers Pub events. We cannot, however, accept Dining Concepts Certificates or West Coast Cash for payments. Furthermore, we prefer events to be all on one check, however if necessary, we will allow for up to **FOUR** separate checks for the entire event, including a cash bar.
